Weekly Reflection

Thirteenth Sunday in Ordinary Time | June 28

CHRISTIAN HOSPITALITY

Day in and day out, we are required to make judgment calls informed by tough, durable, serviceable Christian love. We do what we can do, and God takes notice. God is in charge of rewards, and a glass of water will do when that is what we have to offer with a glad and open heart.

Paul gives us a clear theology for the missionary work we do whenever anybody is close at hand. He reminds us that our work, our ministry, is carried on in concert with Christ. We have been baptized into his death and life. In any given moment both life and death are there, a kind of play of shadow and light. Sometimes it's difficult to tell where shadow leaves off and light begins. God will take care of that, too.

Third Order Regular: Franciscan Rule and Life Chapter 8: The Obedience of Love

25. Following the example of Our Lord Jesus Christ who made his own will one with the Father's, the sisters and brothers are to remember that for God, they should give up their own wills. Therefore, in every kind of Chapter they have let them "seek first the kingdom of God and its justice," (Mt. 6:33) and exhort one another to observe this rule which all have professed more exactly, as well as how they might more faithfully follow in the footprints of Our Lord Jesus Christ. Let them neither dominate nor seek power over one another, but let them willingly serve and obey each other with that genuine love which comes from each one's heart (Gal 5:15). This is the true and holy obedience of our Lord Jesus Christ.

26. They are always to have one of their number as minister and servant of the fraternity whom they are strictly obliged to obey in all that they have promised the Lord to observe, and which is not contrary to conscience or this rule.

27. Those who are ministers and servants of the other should visit, admonish and encourage them with humility and love. Should there be brothers or sisters anywhere who know and acknowledge that they cannot observe the rule according to its spirit, it is their right and duty to have recourse to their ministers. The ministers are to receive them with such love, kindness, and sympathy that the sisters or brothers can speak and act towards them just as an employer would with a worker. This is how it should be. The ministers are to be servants of all.

28. No one is to appropriate any office or ministry whatsoever as if it were a personal right; rather each should willingly relinquish it when the time comes.

WELCOME

A disciple **WELCOMES** God's people.

As a community of faith, we welcome all who come through our doors as Jesus Christ, and we challenge each member of Good Shepherd to practice radical hospitality by actively seeking out and inviting others to Good Shepherd.

Good Shepherd exists to call each of our members, wherever they are, to a lifestyle of discipleship that involves **WELCOMING** God's people, **ENCOUNTERING** Jesus Christ, **GROWING** in Jesus Christ, **SERVING** God's people, and **SHARING** the Gospel. As we seek to live out these five characteristics of a disciple, we may find that we are a new, growing, or missionary disciple. Guardian Ministry

BECOME A GUARDIAN - GUARDIAN MINISTRY

Our vision is to be a Catholic community that is alert and prepared to respond to any potential

emergency while maintaining an invitational and welcoming atmosphere.

Armed Guardians are made up of trained armed volunteers who are responsible for controlling access points and contacting or containing potential threats or persons of concern. They will also have authority to utilize an appropriate level of force in order to repel violence and control a chaotic situation when immediately necessary in order to prevent the unlawful use of force or criminal activity of another. The Team will utilize a discreet and concealed security posture and should be comprised of servant leaders who are prepared to respond to resistance only when it is immediately necessary because there are no other options available.

Initial Minimum Requirements:

Texas License to Carry – Proof of a current Texas License to Carry must be provided in order to serve as an Armed Guardian.

Social History – Complete a comprehensive self-report history statement that is reviewed and analyzed by a licensed Counselor.

Summer Scripture Studies

Tuesdays 7:00pm via Zoom
The New Testament's "Other" Letters: Join us as we listen to New Testament voices less often heard and, perhaps, even

less often studied. Consider what these voices have to say about the life of the early Church and what it means to be a disciple of Jesus Christ. Instructions for how to access and participate in the class will be given to those who register with their emails.

Wednesdays 10:00am via Zoom
Christian Prayer: We will explore prayer in the Bible, in the Catechism of the Catholic Church, in the liturgy and also examine themes found in prayer and

reflect on the ultimate model of prayer, the Lord's Prayer.

GROW

Statement of Faith: Sean Laughlin

Sean Laughlin

I was born in Des Moines, Iowa, and baptized at Saint John's Lutheran church there. My parents are what I would call 'Church Hoppers'. We moved several times while I was growing up, and every time we would relocate, we would visit different churches of different protestant faiths and, led by my mother, she would select one we would join. We attended church often.

In college and through my young adult years, I was interested in learning about different faiths but did not connect with one specific faith tradition or church. Reflecting now, I would call myself someone who had faith but was seeking a way to express it. Someone who was seeking a closer connection to God, but not yet finding it in one faith tradition or church. Like many young adults I was distracted by career, friends and personal hobbies and did not make the time, nor have the discipline, to build my relationship with God one-on-one.

I believe God called me to be closer to him through two blessed events in my life. First, was meeting and marrying my wife, Vanessa. Vanessa was raised in a strong, practicing Catholic family and attended Catholic school. For the first time in my life, I was welcomed into the Catholic faith and community through marriage Pre-Cana. Leading up to and through the sacrament of our marriage in the Catholic church, I felt a calling to God and a community and

support that I had not experienced before. Every day I feel blessed that I met Vanessa and that she and her family welcomed me into their family.

The second event which I believe was God calling me to become even closer to him was the decision to educate our two children in Catholic schools. This event has had a profound effect on me—because originally, I thought we were choosing to educate our kids in Catholic schools for academic reasons. But over time a mystery has revealed itself as my kids have grown in their faith that they are, in fact, God showing me his love and calling me to come even closer to Him. The practice of faith has been growing in me and my families' home since 2016, when we moved to Texas, joined Good Shepherd Catholic Community and our children began attending Holy Trinity Catholic school. I feel blessed every day to have arrived at this day. And we feel blessed beyond words to be welcomed into the Catholic community.

In reflection, my faith journey has been one of seeking but not finding for a long time. I have learned that faith is a two-way street—you have to be open to and look for the ways God is reaching out to you, and you must have the discipline to act upon that 'calling'. I am humbled and grateful for these last nine months of spiritual growth led by Mary, Father Ron, RJ and the rest of the RCIA 'family'. They have unlocked a discipline to grow and practice my faith that I didn't have before. And I am already looking forward to being a better disciple and helping and sponsoring others to become disciples too.

**Sean came into full communion with the Catholic Church on Saturday, May 30th, 2020, at the Vigil of the Pentecost Mass.*

Donation Drop-off Station

Saturday, July 18 8:30am to 11:30am

St. George Catholic School is a parochial school for children in grades prekindergarten 3 through eighth that seeks to foster a Christian atmosphere where students become self-directed learners and decision-makers applying religious principles, social skills, and intellectual expertise to their everyday lives. Each year Good Shepherd collects school supplies for St. George students before the start of classes. We'll collect supplies at the Donation Station event this year.

As always, we gratefully accept donations for our Outreach Partners at Catholic Charities; GRACE; Union Gospel Mission; St. John's Baby World and Outreach; Safe Haven; Mid Cities Care Corp; and Cassata Catholic High School.

What will happen?

A small cadre of volunteers wearing gloves and masks will collect donations from your car trunk or truck bed as you drive up. (You need not/should not get out of your vehicle). The parish volunteers will sort donations and make sure they are delivered to St Georges Catholic school and our Outreach Partner organizations. If you can deliver your donations in sturdy cardboard boxes it would be appreciated but is NOT required.

Your extraordinary generosity during our previous Donation Drop-Off Days have helped hundreds of people meet daily needs for nourishment and personal hygiene. Please join us on July 18 to continue demonstrating Good Shepherd's charitable nature.

If you have any questions, please visit gsc.net/donationstation.

Feed Our Friars

Our friars would like to thank all the generous people who have contributed delicious meals for them!

Do you like to cook? Our five friars love a homemade meal! Visit gsc.net/FOF to sign up or call Elly Lara: 817-421-1387.

If you wish to receive your containers back, please make sure your name is on them and pick them up at the reception area of the office. We have many containers that have not yet been picked up. Please stop by the office to claim yours. Thank you!

If You Are Pro-Life, You Vote Pro-Life

By, Rev. T.G. Morrow
Following are excerpts from his brochure "Why Vote Pro-Life?"

What is Intrinsic Evil?

Intrinsic evil is something which is always evil, no matter the circumstances

or rationale. If an act is intrinsically evil, it cannot be justified by the intention or by the circumstances (the environment, social pressure, emergency, etc). It is always evil!

As Catholics we are not single-issue voters. A candidate's position on a single issue is not sufficient to guarantee a voter's support. Yet a candidate's support on a single issue that involves an intrinsic evil, such as support for legal abortion or the promotion of racism, may legitimately lead a voter to disqualify a candidate from receiving support.

Why is it so important to vote pro-life? Every single life is precious and made in the image of God.

On May 28, 2020, the Centers for Disease Control announced that the number of Americans who have died from the coronavirus has surpassed **100,000**. The number of abortions in the U.S. during that same time period was approximately **215,600**, an estimate based on the latest abortion statistics from the Guttmacher Institute... Based on Worldometer abortion statistics, there were an **average 3,484,800 abortions per month in the world so far in 2020**. That means that between March and May, the time of the coronavirus shutdowns, approximately 10.5 million unborn babies were aborted.
