Conduct

Altar servers display a true desire to serve at Mass by:

1. Arriving at least 20 minutes before Mass begins
2. Acting respectfully and reverently before, during, and after Mass
3. Participating fully in Mass by praying, singing, and being attentive to the priest and what is happening during Mass
4. Studying and knowing your responsibilities as an altar server
5. Remembering to keep prayer hands facing upward when not sitting or holding a religious object
6. Never carrying a cell phone or electronic device in your pocket that could make noise. It should be silenced and left with a parent.

ALTAR SERVER 3 GUIDE

It is a great privilege to serve at the Altar of our God. Altar servers perform a very important and much needed role in liturgical services. They assist the priest so that the liturgy can be conducted with grace and reverence which enables the priest to focus on leading all present at Mass through word, prayer, and the Holy Sacrifice of the Mass. The priest, deacon, and other altar servers are counting on you to know your duties. This allows distractions to be eliminated so all can focus on the holiness of the Mass.

By choosing to serve at the Altar of our God, you will strengthen your personal relationship with the Lord, learn more about the order of Mass and the Catholic Church, serve as a role model to all present at Mass, and grow in reverence, respect, responsibility, and teamwork.

Altar servers are expected to:

- ◆ Arrive in the Liturgical Ministries room and sign in at least 20 minutes before Mass begins
- ◆ Be prepared by knowing all cues and procedures for your position
- ◆ Participate in Mass by praying and singing
- ◆ Act reverently and respectfully at all times
- ◆ Request a substitute in the scheduling system (preferably at least one week in advance) if you are unable to serve at your scheduled time

If you are not scheduled to serve and arrive early to Mass, please stop by the Liturgical Ministries room to ensure that an altar server is not needed.

Thank you for your service to this ministry!

Preparation

Fifteen minutes before Mass begins, all servers dress in the appropriate size of robe. Robes should reach the ankles. Servers need to check that each other's hoods are laying properly.

Five to ten minutes before Mass begins, Server 1 leads the Altar Server Prayer if the deacon does not.

One server lights all candles. Take care to hold your candle straight vertically so oil does not spill.

Monumental Doors

Proceed to the entrance of the church through the Monumental Doors and line up as indicated behind Server 1.

Entrance Procession

All servers process down the monumental door aisle behind the cross bearer. Servers 1 and 3 process in to the right of the altar near the choir aisle and wait by their candle holders. Server 3's candle holder is on the step below Server 1's candle holder and is nearest to the choir.

Liturgy of the Word

Before listening to the Word of God, we say a prayer to confess our sins and ask the Lord's forgiveness. Then, we sing a hymn to God called the Gloria (except during Lent and Advent).

Be a good example to others by paying attention & listening to the readings & homily. Stand with prayer hands during the Gospel reading & when not holding a religious object or sitting. Sit up straight with your feet flat on the floor & keep your hands still while sitting.

Liturgy of the Eucharist

After the homily, the altar is prepared, gifts are brought, we recite the Lord's Prayer, exchange the sign of peace, and receive Jesus in Holy Communion.

CUE 1

After the altar is prepared (Servers 1 & 2 help prepare the altar) and the priest stands for the Presentation of the Gifts
