2020-2021 Calendar of events/programs/activities.

Little Lambs typical school days: Tuesday and Thursday 09:00am -2:30pm

*We have occasional "early release" days and are marked as such on the below posted calendar.

Doors open at 08:55 and dismissal is 2:30 pm

Little Lambs operates under the "Holy Trinity Catholic School "umbrella," which is part of the Fort Worth Diocesan school system. We follow the school calendar of Holy Trinity. We partner with Holy Trinity for Holy Days, and for Catholic Schools Week, and we pass communication and program information to Good Shepherd, Little Lambs parents, regarding the community offerings at Holy Trinity. We hope you will continue your child's Catholic Education, at our "Parent" school, Holy Trinity in Grapevine, Texas, or with our Religious Education program of "Faith Formation," here at Good Shepherd. Holy Trinity is our "Parish, supported," Diocesan Catholic elementary school.

Little Lambs also follows the Holy Trinity and the Grapevine/Colleyville ISD emergency closure guidance for closures/emergency procedures/inclement weather delays and cancellations.

Little Lambs operates uniquely with Good Shepherd Church being the final authority. **Calendar of events is subject to change.

NEW this year: MASS DAYS FIRST TUESDAY of each month.

We will attend Mass together as a school community on the FIRST TUESDAY of each month.

Mass begins at 08:30.

We will have LATE START in our classrooms on these days, immediately after Mass.

Parents have 4 OPTIONS:

1. You can join us, at 08:30 with your child, and sign-in after Mass at the Little Lambs door.
2. You can check them in with us at 08:20 and they can sit with their class/teacher if you are unable to stay for Mass yourself.
3. You can also stick with the 09:00 arrival and someone will be happy to have you "Check-in" your child at the regular time. ***Must let us know the day before.**
4. You can see us after Mass for a 09:30 drop-off on this day. (The FIRST Tuesday of each month.) ***Must let us know the day before.**

*We do not want this to be disruptive to our schedule. Rather, it is a gift and blessing to be able to work this in to our calendar year.
