

## R Rated Movie Permission Form

Dear Parent/Guardian:

We strive to provide every opportunity for our students to encounter Christ through modern media. One of the greatest examples of the portrayal of Christ's life here on Earth was done through a film titled "The Passion of the Christ," by Mel Gibson in 2004. This year, to kick-off Holy Week, we will be hosting a movie night here at GSCC Students that we want to invite all High School students to participate in, where we will watch The Passion of the Christ.

Because of the graphic nature of Christ's passion and death, this movie is rated R. You can see below some of the reasons that a movie might be categorized this way. All students 17 and over are able to attend the viewing of this movie without a permission form. If your student (under the age of 17) wishes to attend, please fill out this form, and have them bring it with them to the movie night.

Should you have any questions, please don't hesitate to contact Katie Downey at [kdowney@gsc.net](mailto:kdowney@gsc.net). We hope you have a very blessed lent!

"An R-rated motion picture, in the view of the Rating Board, contains some adult material. An R-rated motion picture may include adult themes, adult activity, hard language, intense or persistent violence, sexually-oriented nudity, drug abuse or other elements, so that

parents are counseled to take this rating very seriously. Children under 17 are not allowed to attend R-rated motion pictures unaccompanied by a parent or adult guardian. Parents are strongly urged to find out more about R-rated motion pictures in determining their suitability for their children. Generally, it is not appropriate for parents to bring their young children with them to R-rated motion pictures."
